Strategic Career Management

The lifelong process of investing resources into your career to maintain or increase your value in the workplace, undertake work that is personally satisfying, strive for work/life balance, and achieve financial security. The 3 pillars in my Strategic Career Management framework are clarity, credibility, and congruency.

COACHING

On My Terms 10-session Leadership Development Program helps high-performing women of color in social work leadership walk in their power, honor their achievements, build their professional network, and level up in their careers.

WORKSHOP

You Can't Pour from An Empty Cup: Self-Love, Self-Care and Self-Preservation for Women in Social Work workshop allows us time to disconnect our worth from our work, center our personal and professional needs, honor our unique paths, define social work career success for ourselves, and prioritize our own wellness.
