Clarity | Credibility | Congruency

GOAL

My goal is to help social workers be empowered to believe that, professionally, they can do anything that they want to do with their social work degrees. My coaching framework:

1. Define social work career success on your own terms.
2. Social workers do not take a vow of poverty.
3. Social work skills are high-income skills.
4. Social work skills are highly transferable.
5. You deserve to do work that feeds your heart, mind, and wallet.
